

## Essex Regional Educational Services Commission

### Explanation of Permission Form – General Release

#### **Field Trips:**

Field trips are both for educational, social and reward purposes. When you give permission for your child to go on field trips it means they are permitted off campus, either walking or on a bus, with chaperon(s) throughout the school year. Normally there is no charge for field trips.

#### **Photo and Name Use – Permission:**

From time to time the Essex Regional Educational Services Commission publishes materials describing schools and programs. Photographs and articles published frequently contain the name(s) and/or pictures of students engaged in an activity. Occasionally local newspapers also publish articles depicting students. We would like to have your permission to include your child in one or more of these opportunities should they occur.

#### **Internet Use:**

Please see the attached.

#### **Student Handbook:**

It is imperative that you and your child review the Essex Regional Educational Services Commission Student Handbook. When you have done that, please see the last page of the handbook when both you and your child will sign and date the Acknowledgement Form and return it to the main office the first day of school.

#### **R-Rated Movie Permission Form:**

The Motion Picture Industry rates movies as “R”. An “R” rated movie bears a restriction on showing it to the viewer under the age of 17 without parental consent. We feel the movies we show that are “R” rated have educational or social development value for the student.

Allowing permission for your child to view “R” rated movies will allow your child to view these movies in school and or on a Field Trip.
